

January 2023

# Amiel *Newsletter*

Dear Friends and Partners,

We at Amiel held our year-end closing event in the Judean Mountains. We left the office to explore and enjoy new attractions. This fantastic day allowed us to regroup and interact outside the office.

We celebrated together; we created together; we danced together, and we faced new challenges together.

We are ready and fully prepared for 2023 and excited to hear from you.

Enjoy the short video we made for you. Remember, these activities can be arranged for your clientele as well.

All the best,

Your Amiel Team
